A Great Answer for the New Year

More Savings – Simply Refinance Your Auto Loan

It's easy to apply, all we need is your loan information from the other financial institution where your vehicle is financed. With our low loan rates:

- You may lower your monthly payments
- Free up cash for other major purchases
- May save on interest over the remaining life of your loan

Contact us at **520.381.3100** or visit any branch. Let's see how much we may be able to save you this year!

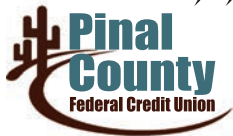

I had my first active Military Service Loan to refinance an auto loan for a young member and saved him over \$4,000 in interest and lowered his monthly payment. I was able to offer a great rate of 4.99% APR when he was currently paying 17.9% APR. Plus, it was great to personally thank him for serving our country.
