

CALL TO SERVE!

Pinal County Federal Credit Union wants you to consider becoming a volunteer.

Pinal County Federal Credit Union (PCFCU) is member-owned. When you're a member, you are an owner too. Become more involved with your credit union by becoming a volunteer. After all, you own the place!

As a member-owned, not-for-profit financial cooperative, PCFCU relies on members to volunteer their time and efforts to help shape the future of our credit union. The PCFCU Board of Directors is currently seeking innovative, energetic, knowledgeable and responsible volunteers to serve on our board.

PCFCU Board members:

- Collaborate with management on the direction of the credit union
- Are prepared to deliberate with many voices but govern with one
- Work with fellow Board members who have the same passion for the credit union
- Understand that governance is a group effort

Channel your time and talent into a meaningful experience by joining our Board of Directors. You will be giving back to your community and making a difference.
