Effective March 16, 2021

These Terms of Use apply when you choose to add a Pinal County Federal Credit Union Debit card and/or Pinal County Credit card (“Card”) to Samsung Pay. In these Terms, “you” and “your” refer to the cardholder of the Card. “We,” “us,” “our” and “Pinal County” refer to Pinal County Federal Credit Union, the issuer of the Card. By selecting the check box entitled “I have read, and I understand and agree to the Pinal County/Samsung Pay Terms and Conditions”, you agree to all terms, conditions and notices contained in these Terms and you are providing your express consent.

What is Samsung Pay? – Samsung Pay allows you to add your Pinal County Credit card and/or Debit card to an application using your mobile device. Your Card number is replaced with a digital number or token. Once added, you understand that you may use your mobile device to make payments only where Samsung Pay is accepted.

Pinal County FCU and Samsung Pay – Pinal County FCU and its affiliates do not own or operate Samsung Pay and are not responsible for any information or services provided by Samsung, your wireless service provider or any other third parties associated with Samsung Pay. We are not responsible for the failure of any Samsung Pay transaction, the performance or non-performance of Samsung or any other third parties regarding any agreement you enter into with them that impact your use of Samsung Pay. We are only responsible for supplying information securely to Samsung Pay to allow usage of the Card in Samsung Pay.

Card Account Terms – The terms and conditions applicable to your Card account do not change because of adding or using your Card within Samsung Pay. Samsung Pay is just another way you can use your Card to make purchases of goods and services at locations that accept Samsung Pay. Any applicable interest, fees and other charges that apply to your Card account will also apply when you use your Card within Samsung Pay.

The agreement governing your Card account contains an Arbitration Provision section which applies to claims arising from your use of your Card. That provision also applies to any disputes between you and Pinal County arising from your use of your Card within Samsung Pay.

Relationship to Other Agreements – When you add your Card to Samsung Pay, your Card account will remain subject to the terms and conditions of all existing agreements with Pinal County.

Account Ownership and Accurate Information – You represent that you are the legal owner of the account and other financial information which may be accessed via Samsung Pay. You agree that all information you provide in connection with your use of Samsung Pay is accurate, current, and complete and that you have the right to provide such information to us for the purpose of operating Samsung Pay. You agree not to misrepresent your identity or your account information.

Eligibility – If we have indicated that the Card you wish to add to Samsung Pay can be added, then for you to use the Card within Samsung Pay, the Card account must be in good standing and you must not otherwise be restricted from using Samsung Pay based on any limitations imposed by Samsung, your wireless service provider, and/or any third party associated with Samsung Pay.

Use of Your Card – Samsung Pay enables you to use your Card and an eligible mobile device to make purchases of goods and services using near field communication technology. An “eligible mobile device” is a mobile device in which Samsung makes Samsung Pay available for use (e.g., Galaxy S7 and Galaxy S7 edge) and that has not been modified contrary to the device manufacturer’s guidelines, including but not limited to disabling hardware or software controls.

When you register your Card in Samsung Pay, your Card information is converted to a device-only account number or token and stored on your mobile device. The device-only account number or token can then be used to purchase goods and services at participating merchants with point-of-sale terminals or readers that accept Samsung Pay. By selecting your Card within Samsung Pay, following the instructions provided by Samsung Pay and placing your eligible mobile device near a merchant's point-of-sale terminal or reader, you are authorizing payment from your Card for the purchase of goods and services.

All purchases made using your Card in Samsung Pay, including delivery of goods and services, returns and warranties, are solely between you and the merchant. Pinal County does not endorse or warrant any merchants that are accessible using Samsung Pay, and we are not responsible for or liable for any loss or damage because of any interaction between you and a merchant.

You also consent to Pinal County using any means to call you at any telephone number(s) provided, including by placing calls using an automated dialing system to a cell, VoIP or other wireless phone number and sending prerecorded messages or text messages to those numbers, even if you may be charged for the calls or text messages. Phone calls to you from Pinal County may be monitored or recorded. You consent to Pinal County and/or our third parties to the same extent as though Pinal County were making those contacts itself, to contacting you by email, fax or other electronic communication according to applicable law. If at any time you revoke this consent, we may suspend or cancel your ability to use your Card in Samsung Pay.

You acknowledge and agree that we may contact your wireless service provider and authorize your wireless service provider to disclose certain information about your wireless account, including but not limited to, your eligible mobile device phone number, IP address, name, address, and device data, in order to allow us to verify your identity and validate the information you provide to us.
