selected by Visa from a range of rates avaliable in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives or the government-mandated rate in
effect for the applicable central processing date. The exchange rate used on the processing date may differs from the rate that would have been used on the purchase date or cardholder statement posting date. A fee of $1.00 \%$ of the amount of the transaction, calculated in U.S. dollars, will be imposed on all foreign transactions, including purchases, cash withdrawals and credits to your account. A foreign transaction is any transaction that you complete or a merchant completes on your card outside of the United States, with the exception of U.S. military consulates.
