

## What Else You Should Know

- A link to another account or a line of credit may be a less expensive option than an overdraft. A single larger overdraft will result in just one fee, as opposed to multiple smaller overdrafts. Good account management is the best way to avoid overdrafts. Use our mobile banking, Internet banking, and telephone banking services to keep track of your balance. For additional financial education resources, please visit [www.mymoney.gov](http://www.mymoney.gov).
- The \$30 Overdraft Fee is the same fee amount that is charged if a check is returned as unpaid. If multiple items overdraw your account on the same day, each item will be assessed an appropriate Overdraft Fee or a Non-Sufficient Funds Fee of \$35. All fees and charges will be included as part of the Overdraft Privilege limit amount. Your account may become overdrawn more than the Overdraft Privilege limit amount because of a fee.
- If an item is returned because the available balance in your account is not sufficient to cover the item and the item is presented for payment again, Pinal County FCU will charge a Non-Sufficient Funds Fee each time it returns the item because it exceeds the available balance in your account. If, on re-resentation of the item, the available balance in your account is sufficient to cover the item Pinal County FCU may pay the item, and, if payment causes an overdraft, charge an Overdraft Fee.
- For consumer accounts, there is no limit on the total Overdraft Fees per day we will charge. This exception does not apply to business accounts.
- This describes the posting order for purposes of determining overdrafts. Our general policy is to post items throughout the day and to post ACH credits before debits. Paper checks are posted in lowest to highest dollar amount, while ATM, ACH and debit card transactions are posted in the order in which the items are received. However, because of the many ways we allow you to access your account, the posting order of individual items may differ from these general policies. Holds on funds (described herein) and the order in which transactions are posted may impact the total amount of Overdraft Fees or Non-Sufficient Funds Fees assessed.
- Although under payment system rules, Pinal County FCU may be obligated to pay some unauthorized debit card transactions, Pinal County FCU will not authorize debit card or ATM transactions unless there are available funds (including Overdraft Coverage Options) to cover the transactions and any fee(s).
- Giving us your consent to pay every day debit card and ATM overdrafts on your consumer account (Extended Coverage) may result in you incurring Overdraft Fees for transactions that we would otherwise be required to pay without assessing an Overdraft Fee. However, this would allow us to authorize transactions up to the amount of your Overdraft Privilege limit and may also help you avoid overdrafts in excess of your available balance that could result in suspension of your debit card. If you consent to Extended Coverage on your consumer account, it will remain on your account until you otherwise withdrawn.
- Pinal County FCU authorizes and pays transactions using the available balance in your account. Pinal County FCU may place a hold on deposited funds in accordance with our Deposit Account Agreement and Disclosure, which will reduce the amount in your available balance. The available balance for checks, ACH items, and recurring debit card transactions is comprised of the ledger balance, less any holds on deposited funds and any debit card holds, plus the amount of the Overdraft Privilege limit and any available overdraft protection. The available balance for ATM and everyday debit card transactions on accounts with Standard Coverage is the ledger balance, less any holds on deposited funds and any debit card holds, plus any available overdraft protection, but does NOT include the Overdraft Privilege Limit. For accounts with Extended Coverage, the Overdraft Privilege Limit is included in the available balance for authorizing ATM and everyday debit card transactions.
- Please be aware that the Overdraft Privilege amount is not included in your available balance provided through online banking, mobile banking or Pinal County FCU's ATMs.
- Pinal County FCU will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within two business days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction. When the hold ends, the funds will be added to the available balance in your account. If your account is overdrawn after, the held funds are added to the available balance and the transaction is posted to the available balance, an Overdraft Fee may be assessed.
- Except as described herein, Pinal County FCU will not pay items if your account does not contain available funds (including the Overdraft Privilege limit) to cover the item(s) and the amount of any fee(s).
- Pinal County FCU may suspend your debit card(s) if you incur overdrafts in excess of the available balance in your account, including any Overdraft Privilege limit (as described herein). Debit cards on your account will remain suspended until you make sufficient deposits so that your available balance, taking into account any Overdraft Privilege limit, is positive and then you contact us.
- Pinal County FCU may also suspend your debit card(s) if your account is overdrawn more than 32 consecutive calendar days. Debit cards on your account will remain suspended until you make sufficient deposits so that your account balance is positive.

- Pinal County FCU may also suspend your debit card(s) if we are unable to contact you due to an incorrect mailing address or Phone Number(s). You must contact us with your correct mailing address and/or Phone Number(s) to have your debit card reinstated.
- If your debit card(s) is suspended, you will be unable to use your debit card for purchases or to access your account(s) associated with the debit card(s) at the ATM while your debit card(s) is suspended. If you use your debit card for recurring payments, e.g., utilities, you are responsible to make other arrangements for your recurring debit payment(s).
- New consumer and business checking accounts will receive a \$0 Introductory Overdraft Privilege limit at account opening that will be increased to \$400 after 35 days in good standing for consumer Classic checking accounts, increased to \$600 after 35 days in good standing for Secure checking accounts, or to \$800 after 60 in good standing for business accounts.
- An Overdraft Privilege limit of \$400 will be granted to eligible existing consumer Classic checking accounts opened at least 35 days in good standing.
- An Overdraft Privilege limit of \$600 will be granted to eligible existing consumer Secure checking accounts opened at least 35 days in good standing.
- An Overdraft Privilege limit of \$800 will be granted to eligible Business Checking accounts opened at least 60 days in good standing.
- Overdraft Privilege is not a line of credit; it is a discretionary overdraft service that can be withdrawn at any time without prior notice.
- Overdraft Privilege may be discontinued if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within 32 days for a minimum of one business day. You must bring your account balance positive for at least one business day to have Overdraft Privilege reinstated.
- Depositor and each Authorized Signatory will continue to be liable, jointly and severally, for all overdraft and fee amounts, as described in the Deposit Account Agreement and Disclosure. The total (negative) balance, including all fees and charges, is due and payable upon demand.
